

Abdul Razak Shaikh

Lead Product Designer (UI/UX) | Frontend Engineer

abdulsk.design@gmail.com • +91 9819992152 • <https://arshaikh.netlify.app>

SUMMARY

Senior UI/UX Designer with 15+ years of experience designing and developing intuitive, scalable digital experiences for web and mobile applications. Strong expertise across the full UI/UX lifecycle—user research, information architecture, interaction design, visual design, design systems, and frontend implementation.

Known for blending user-centered design principles with strong UI execution and development awareness, ensuring designs are both usable and build-ready. Proven track record of improving usability, engagement, and product consistency across enterprise and consumer platforms.

WORK EXPERIENCE

UI/UX Manager

June 2022 – Present

Empezar Digital - Mumbai, India

- Led UI/UX design strategy for multiple web and mobile products from concept to launch.
- Conducted user research, usability testing, and heuristic evaluations to validate design decisions.
- Designed end-to-end user flows, wireframes, high-fidelity UI, and interactive prototypes using Figma, improving usability by 25%
- Built and maintained a scalable design system, improving UI consistency and reducing design-to-dev gaps by 30%.
- Improved overall product usability and engagement by 25% through iterative UI/UX improvements.
- Collaborated closely with product managers, developers, and stakeholders to align UX, UI, and business goals.
- Mentored designers and reviewed UI/UX work to maintain design quality standards.

Sr. UI/UX Designer & Developer

Dec 2017 - Feb 2022

Futurescape Tech - Navi Mumbai, India

- Designed user-centered UI/UX solutions for enterprise and consumer-facing applications.
- Created wireframes, UI designs, design systems, and prototypes for complex workflows.
- Conducted usability testing and incorporated feedback into UI and UX refinements.
- Ensured visual consistency and usability across products using shared UI components.
- Collaborated with frontend teams to ensure accurate UI implementation.
- Developed responsive interfaces using React and Angular, supporting UX intent.

Sr. UI/UX Designer & Developer

May 2015 - Dec 2017

Nisos Technology - Navi Mumbai, India

- Designed intuitive UI layouts and interactive prototypes for web applications.
- Partnered with stakeholders to translate business requirements into effective UX solutions.
- Delivered pixel-perfect UI designs and supported developers during implementation.

Sr. Web Designer & Web Developer

Jan 2015 - Apr 2015

Mirakle Initiatives - Navi Mumbai, India

Sr. Web Designer & Web Developer

Feb 2013 - Jan 2015

Myware Solutions - Navi Mumbai, India

Web Designer/Developer & Jr Programmer

Aug 2012 - Jan 2013

Paramonos Technology - Navi Mumbai, India

Web & Graphics Designer

Oct 2010 - Aug 2012

Saraswati Enterprises - Mumbai, India

SKILLS

Core Skills

UI/UX Design, Product Design, Design Systems, User Research, Wireframing, Prototyping, Figma, Adobe XD, Usability Testing, Interaction Design, HTML, CSS, JavaScript, Flutter, React, Angular

Research & Analysis

- **Methods:** User Interviews, Surveys, Focus Groups, Usability Testing, A/B Testing, Diary Studies, Heuristic Evaluation, Affinity Mapping, Journey Mapping, Card Sorting, Competitive Analysis
- **Research Operations & Strategy:** Participant Recruitment & Screening, Research Planning, Research Repositories, Insight Synthesis, Stakeholder Workshops, Design Critiques, Roadmap & Feature Prioritization Support
- **Quantitative Analysis & UX Metrics:** Data Analysis (Excel, Google Sheets), UX Metrics Definition, Behavioral Data Tracking, Conversion Funnel Analysis, Usability Benchmarks, Design Performance Measurement
- **Ai Tools:** ChatGPT, Gemini, Copilot, Antigravity, Figma Make, Lovable ai, Claude, Maze ai, Useberry ai, Dovetail ai, Otter ai,

Design Tools & Software

- **Design Tools :** Figma, Adobe XD, Photoshop, Illustrator, After Effects, InVision, Zeplin, Webflow, Framer, Mockflow
- **Design Expertise:** Design Thinking, Wireframing, Visual Design, Prototyping, User Centric Design, Responsive Design, Interaction Design, Design Systems, Brand Identity, Graphic Design, Creative Direction, Accessibility (WCAG), Material UI, Fluent UI

Frontend Development Skills

- **Languages & Frameworks :** HTML5, CSS3, SASS, Bootstrap, Tailwind, JavaScript, TypeScript, jQuery, Angular, React, Vue, Blazor, Flutter, .NET, Node.js, PHP
- **Development Strengths :** Rapid Prototyping, Component Libraries, Design-to-Dev Handoff, Frontend Optimization

Leadership & Soft Skills

Team Leadership & Mentorship, Stakeholder Communication & Executive Presentations, Cross-Functional Collaboration (Design, PM, Engineering), Agile Methodologies & Lean UX Practices, Strategic Decision-Making, Problem Solving, Effective Communication, Time Management, Creative Thinking, Adaptability, Accessibility, User-Centric Mindset, Critical Thinking, Stakeholder Management.

EDUCATION

Bachelor's Degree in Computer Application (2011)

Karmaveer Bhaurao Patil College - Vashi, Navi Mumbai, India

MSCIT Certification

Maharashtra State Certificate in Information Technology - Vashi, Navi Mumbai, India
